What led Macbeth to say that he would die with harness on his back?
Because he knew very well that Racdoff was reas about to tackle him.

"Mr. Smith, don't you think Mr. Skeedisks is a young man of parts?"

"Dividedly so, Miss Brown; his is part numerical, and part knews, and part fool!"

"When Zady Wallace sent a polith note to Mr. Harris, of Covent Garden, offering him, a comedy fee nothing; he observed that her ladyship knew the exact value of it.
